

Michael Anthony

Michael Anthony has spent the majority of his life in the radio business. He started off as an ON-air personality, but has slowly shifted his focus to the sales aspect of the radio field. He is now the General Sales Manager of the Easton branch of Connoisseur Media; managing 99.9 the Hawk, 107.1 Spin Radio, and ESPN Sports Radio. Outside of the office Michael spends his time golfing, hanging out with his beautiful family, and has even been in a few productions at Civic Theatre. He's thrilled to be performing on the State Theatre Stage tonight, and he hopes for your support when the voting comes around!
