

Kelly Bauer

Kelly Bauer lives in Catasauqua with her son, Cameron and four legged children, Riley, Lacy, Winston, Lily and Bat. She has been the Executive Director at the Center for Animal Health and Welfare since June 2016. In her spare time Kelly enjoys traveling, including a recent trip to Antigua in which she snorkeled with stingrays. In addition to her love for animals and traveling, Kelly lends her talents to local political campaigns, most recently working as Finance Director for Derek Green, Philadelphia City Councilman At Large. A cheerleader for much of her childhood, Kelly is hoping to revive some of her dance moves in to a winning routine.
